Invitation

Join us for the 29th International Congress of The Transplantation Society (TTS 2022) and be part of the leading global congress in transplantation!

TTS 2022 will be held from September 10 to 14, 2022, at the CEC Buenos Aires Convention and Exhibition Center, organized by The Transplantation Society (TTS) in collaboration with the Argentinian Society of Transplantation (SAT) and the Latin American and Caribbean Transplant Society (STALyC).

TTS is a truly international organization that reaches 6,500 +members from 105+ countries.

Our flagship event, TTS 2022, will offer a multidimensional program based on the major themes in transplantation medicine: cutting-edge science, clinical advances, latest controversies in ethics and public policy, best practices in development of transplant programs, organ donation, and procurement.

We look forward to your joining us on this exciting journey!
